EAT WHAT YOU WANT

Tone up Your Stomach to Do Its Work and Stop Starving Yourself.

If you have indigestion, gas on the stomach, sour stomach, acid stomach, belching or heartburn; if you cannot eat substantial, nourishing food without distress, your stomach is weak. As a great deal of your comfort, happiness and success depends on a good digestion, you want to be able to eat anything your appetite craves. Don't try to get relief by cutting down your diet to a starvation tangle but strengthen your stomach until you can eat good, nourishing food. What you want is a better digestion, not a poorer diet.

Mrs. G. W. Eggleston, of North Topeka, Kans., says: "In my case stomach trouble seemed to follow a run-down condition. What food I ate did not seem to digest but felt like a lump in my stomach. My stomach would bloat with gas and was sore all of the time. I was so sore about my body that I could not bear to have my clothes touch me. Later I began to be troubled with rheumatism which settled in my limbs. They were swollen and at times my arms were so stiff that I could not raise them. There was a dull aching pain through the small of my back and for weeks I could not bend over. Nothing seemed to help me, although I tried many remedies, until I began taking Dr. Williams' Pink Pills for Pale People. A few boxes helped me and I continued with them until completely cured of both the stomach trouble and rheumatism. I am now able to do my work and am in good health."

Don't go about your treatment blindly but start today to cure your indigestion by using Dr. Williams' Pink Pills. You will find that stomach troubles disappear as soon as the blood is made pure and rich.

The value of the tonic treatment with Dr. Williams' Pink Pills is shown by the thousands of cures the pills have made in the various forms of stomach trouble, as acid stomach, nervous dyspepsia, neuralgia of the stomach, gastritis and catarrh of the stomach.

A booklet, "What to Eat and How to Eat," giving valuable information will be sent free upon request.

Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams' Medicine Company, Schenectady, N. Y.

NO HELP WHEN MEYER DROWNED

Plight of Swimmer Unnoticed Until Body Is Found in Water

With hundreds of bathers all around him, George Meyer died in the surf at Waikiki yesterday because no one noticed the sudden attack that robbed him of power to swim and left him floating, face downward, on the water for probably ten minutes before his plight was discovered.

As Meyer's limp body was dragged out of the water by fellow-bathers, he gave several great gasps, the water and foam running from his nose and mouth, but though three physicians worked over him they could not resuscitate him. He had taken in too much water, and besides, it is considered likely that he was attacked by heart failure, to which he is said to have been subject.

The contents of scores of people near by, when the news of the tragedy was heard, were to the effect that a bath patrol would probably have noticed Meyer's helplessness in the water and saved his life.

Meyer was a bartender at the Kentucky saloon and has been in Honolulu about a year and a half, coming here from Detroit, Mich. He was unmarried. One sister is said to be living in Detroit. He roomed at the Bachelor apartments, and yesterday he went to Kapiolani Park with a friend, Jack McGrath, and after staying there for some time watching the sports, went to Waikiki Inn and decided to take a swim.

Meyer is said to have been a good swimmer and to have struck out strongly at first. He was only a few yards off shore, in the last of the incoming breakers and in water about ten feet deep.

William Ziez, an employ of Hoffschlaeger & Co., saw a man floating face downward in the water in front of Hustace's place and swimming to his side, found him unconscious. Ziez and others immediately took the body ashore and several physicians were summoned. Some time elapsed before medical aid could be secured, and during this time efforts were made by soldiers to revive Meyer, but their attempts were useless.

An autopsy was to be held today and the inquest tonight.

FULL DAY'S

(Continued from Page 9)

eightths mile, two year olds, purse \$250.

Oneonta, L. Warren, first.

Sonoma, W. McKenzie; sire, Solitaire II, dam, Bremeshafen, second.

Umpqua, ch. colt, L. Warren; sire, Chappagua, dam, Mercedita, third.

Harvester, John O'Rourke; sire, Solitaire II, dam, Carnation II.

Time, 1:04 2-5.

This was a pretty race all the way round for the first three, but Harvester was never in it and was nearly distanced in the last eighth. There was less than a length to the good for the winner at the finish, while Sonoma and Umpqua came home almost neck and neck.

Fourth race—Trotting and pacing, 2:15 class, mile heats, best two in three; purse \$350.

Maul, aged, ch. gelding; A. Gross; sire, Monterey; dam, Theresa; first.

El Oro, three years; F. Brughelli; sire, Demonio, dam, Potrero Girl, second.

Time, first heat, 2:33; second heat, 2:42.

El Oro took the lead before the first eighth post in the initial heat, Maul catching up, but not coming even until the three-eighths post, and they passed the half neck and neck.

At the next post Maul took the lead, El Oro breaking every now and then until left far behind at the finish. In the second heat El Oro at different stages made promising efforts to reduce Maul's lead, that was nearly three lengths at the first post from the start, but each time broke and came home two or three lengths behind. Tommy Patterson drove Maul, while Quinn, a professional driver from the Coast, held the ribbons over El Oro.

Fifth race—Free for all, running, one and one-quarter mile; purse \$250.

Merlings, John O'Rourke, first.

Warning, aged; A. McPhee; sire, Previous, dam, Liba H., second.

Time, 2:27 2-5.

This looked at first as going to be a most pretty race, the contestants being even both at the eighth and the quarter. At the next post Merlings was ahead more than a length, but Warning picked up a little of the slack before three-eighths were covered. After that Merlings easily increased its lead to between four and five lengths at the finish. It was winning from a cripple, though, for Warning was led back to the paddock with a very decided limp.

Sixth race—Pony race, free for all, half mile; purse \$125.

Jubilee, aged; A. F. Pavio; sire, G. H. R., dam, unknown, first.

Poni Moi, five years; Honolulu Ranch; sire, G. H. R., dam unknown, second.

Coquette, aged; L. von Tempky; sire, Maul, dam, Barmad; third. Green Linnet, two years; Dr. Fitzgerald; sire, Royal F., dam, Colleen town.

Time, 53 sec.

This was a beautiful race as between Jubilee and Poni Moi, with Coquette making a fairly game pursuit. At the three-eighths Jubilee was about half a length in the lead and at the finish just a neck.

Seventh race—Japanese-owned horses, running, three-fourths mile; first prize, \$150; second, \$50. Strawberry, aged; Mikami; sire, Eastertide, dam, Angie A.; first.

Telephone, aged; Oyama; sire, Eastertide, dam, unknown, second.

Alice, aged; Muranaka; sire and dam unknown.

Time, 1:22.

Eighth race—Hawaiian bred, running, one mile; first prize, \$300; second, \$50.

Major Collier, aged gelding; F. Brughelli; sire, Eastertide, dam, Nellie Collier, first.

Strawberry, second.

Time, 1:58 2-5.

The winner of the first money just took the lead in the first eighth and gradually increased it to the finish, when he was several lengths ahead.

Ninth race—Free for all, running, three-fourths mile; purse \$250.

Merlingo, first.

Good Cheer, second.

Time, 1:19.

Good Cheer took the lead at the start but lost it at the first quarter, Merlingo finishing in a spurt two lengths to the good. The mare simply quit when caught up with, showing herself lacking in a prime racing virtue.

Tenth race—Free for all, trotting and pacing, mile heats, best two in three; purse \$350.

Denerva, aged; L. Morrell; sire, Demonio, dam, Minerva, first.

Maul, A. Gross, second.

El Oro, F. Brughelli, third.

Time, first heat, 2:28 1-5; second, 2:23.

In the initial heat El Oro was distanced, a fairly pretty race being maintained throughout by the two others. Maul had almost wiped out a lead of Denerva at the three-eighths mark, but later broke repeatedly and was several lengths to the bad at the finish. Almost the same order of procedure was observed in the second heat, only Maul forced a harder pace by greater steadiness, and was this time beaten only by a length, the time being reduced more than five seconds from the first heat.

Eleventh race—Maiden ponies, Maui bred, one-half mile, ponies 14.3 and under; first prize \$100, second, \$25.

Indian Boy, M. Do Rego, first.

Jubilee, aged, A. F. Pavio, second.

Cocalin, two years, Honolulu Ranch, third.

Time 55 sec.

This was a good race between the prize winners, Indian Boy getting first place by almost a length.

Twelfth race—Free for all, running, five-eighths mile, maiden two-year-olds (winner of the third race barred); purse \$250.

Umpqua, L. Warren, first.

Harvester, John O'Rourke, second.

Time, 1:05 4-5.

Comet, entered by M. Lewis, threw its jockey when the horses were sent away, after a false start, and stayed at the post. Umpqua quickly took the lead, and although Harvester was reducing it during the last quarter mile, won handsily by several lengths.

Thirteenth race—Hawaiian bred, running, three-quarters mile; first prize, \$250; second, \$50.

Major Collier, F. Brughelli, first.

Athlone, A. McPhee, second.

Leihulu, L. Warren, third.

Time, 1:40 1-5.

One of the finest races of the day was this, starting off with Athlone, barely leading Major Collier, which order continued until half a mile was traversed, when the latter went ahead. He left Athlone several lengths behind, by splendid striding in the last eighth. Leihulu was a good third.

Fourteenth race—Cowboy relay race, post entries.

Grove Ranch (by Manuel Amoral, Jr.), first.

The other entries were by Honolulu Ranch and Haleakala Ranch. This was the most exciting race of the day, judging by the way it brought the spectators in the stands to their feet cheering.

Fifteenth race—Gentlemen's riding race, post entries; cup.

Lady Bernice, Dr. Fitzgerald, first.

Coquette, J. B. Barlow, second.

Breakwater, J. Vasconcelles, third.

Thirty-five, C. Rome.

No time taken on account of confusion created by the throwing of Mr. Rome by his mount, seriously injuring him.

Sixteenth race—Mule race; one mile; first prize, \$35; second, \$15.

Four starters on post entries.

Opium, first.

Panui, second.

Notes.

Oahu and Hawaii came in for some of the prizes, Louis Warren of the former and John O'Rourke and F. Brughelli of the latter having entered winners.

Johnny Carl was jockey for the Hilo racers as well as some others, and Gilbert and Rollins for Warren's, the two first being coast jockeys.

In the driving races Tommy Patterson of Honolulu held the lines on Maui; Quinn, a professional driver, on El Oro, and L. Morrell on his own entry, Denerva.

To give a chance for baseball in the afternoon recess, for luncheon was restricted to forty-five minutes.

Next to the attendance of people the most striking thing was the great number of automobiles that furnished a large proportion of them to the park. There were scores of cars lined up just outside the enclosure all the time the races were in progress. The road from Waikuku to Kahului is often macadam and among the finest in the Territory.

CHAMBERLAIN'S COLIC, CHOLERA AND DIARRHOEA REMEDY.

Few, if any, medical preparations have met with the uniform success that has attended the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. The remarkable cures of colic and diarrhoea which it has effected in almost every neighborhood have given it a wide reputation. For sale by all dealers. Benson, Smith & Co., Ltd., agents for Hawaii.

The big British steamship Kalabia, due to arrive at Honolulu within a few days with a shipment of Japanese coal consigned to the Inter-Island Steam Navigation Company, has been fixed to load 1,200,000 feet of lumber at Eureka, Cal. The lumber shipment is for Australian ports. The Kalabia is expected to reach Honolulu in time to take a place at the coal wharf following the departure of the Norwegian steamer Gurnsey.
